

## ***Help APK Blue challenge the title of World Champions***

***World Chase Tag® is the world's first and only global competitive tag organization. Chase Tag is a fast-paced, high-energy sport that has been growing in popularity over the past few years which combines elements of parkour, free running, and of course everyone's favorite playground game: tag.***

***APK Blue's latest performance qualifies us to be one of four American teams set to take the stage at the World Championships with 4 continents and 10 countries of competitor representation.***

**WORLD CHASE TAG™**

**Blue is recognized as one of the pivotal teams in the Pan-America region for World Chase Tag, filled with nationally respected athletes who push the level of competition and bring a high standard sportsmanship to the game.**

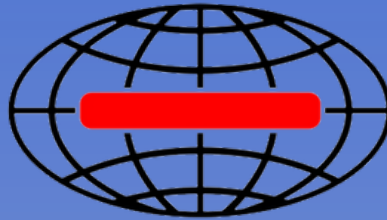

**As we make our way to Paris we are seeking to cover international travel and lodging expenses while compensating the time of our athletes so we can compete to our best abilities without worry.**

**In appreciation, our invaluable sponsors will have their names or logos featured on our practice jersey. One contributor looking to make a larger impact will have the exclusive opportunity to be our main event sponsor and secure a spot on our official competition jersey: a badge of your vital role in propelling our team to success in the international stage and community.**

**By sponsoring our team, you will be supporting a group of highly skilled athletes, dedicated to their sport with commitment to representing your brand in a positive light.**

**In addition, your company will benefit from exposure through our various channels, including social media and video content, as well as our presence on ESPN2 and the World Chase Tag YouTube and social media channels which have over 1 billion views.**
